Mar 10, 2019

College of Engineering and "Zayed Library" promote tolerance and innovation

Al Ain University of Science and Technology represented by the College of Engineering, Al Ain Campus, participated actively in the event organized by the Zayed Central Library in collaboration with the Ministry of Culture under the title "Tolerance Promotes Innovation", in the presence of Sheikh Salem Bin Rakad Al Ameri, managers of universities and schools, and students.

Mr. Ayman Odeh participated in the symposium by providing a lecture about Artificial Intelligence and its applications. Also, Al Ain University was considered as an active participant in the event where a number of faculty members from the College of Engineering participated as judges of the ROBET projects offered by school students in the Emirate of Abu Dhabi at "Technology Pioneers Workshop to Promote Innovation".

At the end of the event, participants were honored as individuals and official organizations by

Sheikh Bin Rakad.
