## **Al Ain University offers positive avenues for self-development**

The Deanship of Student Affairs, Abu Dhabi campus, organized a virtual workshop entitled; The Initiative and Self Development, presented by Mr. Ibrahim Al Marzoqi, Expert in project development and a Certified NLP Practitioner.

The workshop discussed various subjects, such as, the concept of self-development, how to make decisions, principles of success and defining goals to serve the nation and society.

This workshop aimed to guide students and assist them in identifying their strengths, that reflect on their personalities.
