An enthusiastic chess tournament for Al Ain University students

The Deanship of Student Affairs at Al Ain University (Abu Dhabi headquarters), in cooperation with the Abu Dhabi Chess Club, organized games and spiritual games, a chess tournament for students, where the tournament witnessed enthusiastic attendance.

This type of tournament stems from Al Ain University's keenness to develop students' skills and meet their desires by providing a complete educational provision with various activities and participation, which has a positive impact on their academic level and the refinement and development of their skills.

For her part, Dr. Noha Hamada - Deputy Dean of Student Affairs, honored the first-place student, Bashir Ammar, and the second-place student, Ahmed Al-Qassim, from the College of Engineering. The tournament referees from the Abu Dhabi Chess Club were also honored for their cooperation and took a group photo with the participating participants.
