Student's visit to Ministry of Interior Programmers Forum

A number of students from the College of Engineering visited the "Ministry of Interior Programmers Forum," organized by the "Ministry of Interior Youth Council" as part of the "UAE Programs", and under the patronage of His Excellency Omar Sultan Al Olama, Minister of State for Artificial Intelligence and Digital Economy and Remote Work Applications.

The event included a panel discussion and an accompanying exhibition featuring programming and artificial intelligence projects, as well as the launch of the Ministry of Interior Programmers Initiative.
