

Al Ain University

Administrative Unit > Vision and Mission

Vision

The units' vision is to provide logistics to the faculty members, staff and students to achieve high quality standards in the educational process as a support to achieve the university's' vision.

Mission

Our role is to ensure that AAU benefits from the highest standard of administrative and resource management. The Administrative unit is committed in utilizing our expertise to deliver advanced services that offer excellent value to the faculty, staff, and students and ensure an environment which demonstrates respect and encourages the success of each individual in our institution.
